He asked the hearings lady for me to be a witness and write statement for him. I was trying to do the right thing and just thing. Hearings lady made me sign statement in front of a lot of inmates. I was emergency rode out to J.C.F Cotton Facility. The next day I was heard on my D.D.O ticket. I was found not Guilty for doing the right thing. Later that day, I went to yard while my gang member bunkie Mr. Brown stayed in due to him being in trouble. While on yard my mail was given to Mr. Brown unsealed not even in envelope. Furthermore I was sit even in the room No I.D. was shown to get my mail. It was my hearing report from ticket I beat for doing the right thing with all the info of me snitchen writing a statement. C/O Omangi pointed towards my room and again said, I am giving you a direct order. I followed the direct order. That nite I was assaulted multiple times, pulled off my bed and hit. V. Notice to Plaintiff Regarding Consent

In accordance with the provisions of 28 U.S.C. § 636(c) and Federal Rule of Civil Procedure 73, you are hereby notified that the United States magistrate judges of this district court may, upon your consent, conduct any or all proceedings in this case, including a jury trial and entry of a final judgment. If you consent, any appeal from a judgment entered by a magistrate judge shall be taken directly to the United States Court of Appeals for this judicial circuit in the same manner as an appeal from any other judgment of a district court.

Magistrate judges have greater flexibility in their schedules than district judges, who have heavy criminal caseloads that take priority over civil trials. Accordingly, the magistrate judges are generally able to schedule prisoner civil rights cases for jury trial much sooner, and they are able to provide firm trial dates. Magistrate judges are experienced trial judges who handle a great number of prisoner civil rights cases.

Your decision to consent to the dispositive jurisdiction of a United States magistrate is entirely voluntary. If you do not consent to a magistrate judge, the case will be randomly assigned to a district judge. The magistrate judge already assigned to this case would continue to decide all pretrial matters and would handle all dispositive motions by report and recommendation.

Please check **ONE** box below to indicate whether you voluntarily consent to proceed with a United States magistrate judge or if you would instead prefer that the case be assigned to a district judge.

☒ I hereby voluntarily consent to the United States magistrate judge conducting all proceedings in this case, including entry of a final judgment and all post-judgment matters.

☐ I request that this case be assigned to a district judge.
